## Directions for Use

Do not mix with other detergents or chemicals.

- To open child resistant cap, squeeze the sides and turn anticlockwise.
- Pour 330ml (approximately 1/3 of the bottle) slowly into the drain.
- Replace cap and keep the bottle tightly closed.
- Wait for 15-30 min and then flush the drain with hot water.

## Storage

- Store in a cool, dry, well-ventilated place and out of direct sunlight.
- Store away from foodstuffs.

- Store away from sources of heat and/or ignition.
- Keep container standing upright.
- Keep containers closed when not in use - check regularly for leaks.

## Limitations/Tips

- Not recommended for people with respiratory problems.

## Safety Directions:

- Keep out of reach of children.
- Read carefully and follow all instructions.
- Wear protective gloves/clothing including eye/face protection.
- Avoid contact with eye and skin.
- Wash hands after use.
- If in eyes, immediately irrigate with copious quantities of water for 15 minutes. Urgently seek medical assistance. Transport to hospital or medical centre.
- If skin or hair contact occurs, remove contaminated clothing and flush skin and hair with running water. If swelling, redness, blistering, or irritation occurs seek medical assistance.
