

No More Cracks Small Cracks & Dents

Description

A ready to use filler that repairs fine cracks, chips & small shallow surface imperfections on interior surfaces. It is easy to sand & has excellent adhesion.

Do not use below 5°C.

Where movement occurs use Selleys No More Gaps.

Clean up with water before filler dries.

- Easy to sand
- Water clean up

Technical Details

Property	Typical Result
Appearance	Cream coloured paste
Drying Time at 25 °C	1mm: 1-2 hours 2mm: 2-3 hours
Indicative data only, not intended for preparation of specifications	

Directions for Use

- Ensure surface is clean & dry with no loose, powder material.
- Use a filling blade to spread a thin layer over the area & scrape off excess to minimise sanding.
- Allow to dry for 2-3 hours* & then sand back with fine sandpaper.

Tips

* Allow longer drying times if painting with oil based paints, in humid conditions or in cold weather.

For best results apply undercoat before your topcoat of paint.
