Technical Data Sheet

Windscreen Additive

Description

Windscreen Additive is a cleaning concentrate which is added to the windscreen washer reservoir. It allows the windscreen to be cleaned effectively while driving.

Pack Size

Available in 500ml bottles

Application

Suitable for use in all vehicles.

Features

- Reduces smears & streaking for enhanced visibility
- Cleans and lubricates wipers to increase working life
- Helps to prevent glare
- Crystal clear finish
- Enhances visibility

Directions for Use:

- Add 75ml of concentrate to your vehicle windscreen fluid reservoir.
- Top up as required with clean water.
- For vehicle reservoirs over 4lt add approximately 150ml

IMPORTANT: Immediately clean up any spills of the concentrate as staining will occur.

Technical Information

Appearance	Clear blue liquid
SG	0.992 – 1.00
